

Shopmobility - We're Open

Hop on & Shop on our accessible transport

Shopmobility can help you to access the Castlepoint shopping experience opening up access to a wide range of shopping and refreshment establishments.

Shopmobility provides a mobility scooters, manual wheelchairs & electric wheelchairs for those who struggle with their mobility because of disability or other issues to get around the shopping centre. It is available to anyone, young or old, no matter whether their mobility impairment is temporary or permanent.

Castlepoint Shopmobility can be found on the lower ground car park at the front of Aisle 11. It is opposite the lower bay village car park (where Nandos is located).
